

ColdCheck Lead List: Champaign County, Illinois

COOKd Kitchen. Updated September 25, 2026. Covers Champaign, Urbana, Savoy, Mahomet, St. Joseph, and Rantoul.

How to use this list

This list has 200 leads. Call the **Top 30** first; they are the same leads as the Sales Playbook and are shaded blue below. Then work through the additional leads town by town. Call between 2 and 4 p.m. Central Time, check the notes for closed days, and write the result of every call in the Status column: Left voicemail, Call back, Quote sent, Not interested, or Signed.

National chains owned by their corporate headquarters (such as LongHorn Steakhouse and Red Lobster) are left off, because buying decisions for those are made at corporate, not in the restaurant.

Multi-location groups

One conversation with these owners can mean several sales. Ask for the owner and mention that every location shows on one screen.
